TRC Companies, Inc. (TRCC) conducted an onsite reconnaissance on June 11, 1992 at Fiber Materials Incorporated in Biddeford, ME (Figure 1). The onsite reconnaissance was conducted as part of the Preliminary Assessment-Plus scope of work to verify current site conditions. All activities were completed in accordance with the TRCC Task Work Plan dated June 2, 1992.

TRCC personnel present for the onsite reconnaissance were David Brouillet (Task Manager) and Todd Knause. TRCC personnel arrived at the site at 0900 and met with David Loper, Francis James, and Tom Girard all of Fiber Materials. TRCC personnel and Fiber Materials' representatives met in a conference room to discuss past and present activities on site. A tour of the facility and grounds was completed, and photographs were taken of certain aspects of the site. TRCC personnel departed the facility at 1500.
